

# Webinar - CSM Webinar - Unanet's Purchasing Process - Education for Unanet 11.0

*Title: Unanet's Purchasing Process - Education for Unanet 11.0*

***Brief description:***

Join us to review the Unanet Purchasing process in Unanet's 11.0 release - coming soon!

We will provide instruction, additional resources, and a demonstration of the following items:

- Creating Purchase Requests
- Creating Purchase Orders
- Approval Processes

Purchasing capabilities will be available to clients with a Project Tracking Financials or Project Portfolio Financials customers soon. Please join us for this session to learn the new functionality!
