

Quick Video - Managing Accruals in Unanet

Title: Managing Accruals in Unanet

Brief description:

This video illustrates the best practices and considerations for associating employees with an accrual plan.

What's covered in this video:

- Review of accrual plan contents
- Association of an accrual plan with a new hire
- Entering a starting balance
- Reporting on the accrual balance, cost and liability
- "Pausing the accrual" for employees on extended leaves of absence
- Zeroing out an accrual balance for terminated employees
