

Webinar - Unanet CSM Webinar - Guaranteeing Success in your Cost Plus Efforts (Part 1 in the Outcomes Series)

Title: Guaranteeing Success in your Cost Plus Efforts (Part 1 in the Outcomes Series)

Brief description: This webinar outlines Unanet best practices for project management processes on Cost Plus contracts. It describes how to optimize Unanet to support planning, assigning, and monitoring the work, ensuring that time spent by the Project Manager is appropriate. Key metrics provide senior leadership and the customer with confidence that the path to completion is defined and executable. Specific criteria settings for shared reports are outlined and explained. Future webinars in the series will focus on T&M and FP contracts.
